

Senior Symposium

North Central High School Seniors participated in the Senior Symposium in November. Mr. Gilman, NC guidance counselor, organized the event which provided seniors the opportunity to practice and gain experience participating in interviews.

Gilman wanted to provide each senior the opportunity to practice their interviewing skills within a familiar and comfortable environment. North Central is dedicated to providing real life experiences that fulfill the Graduation Pathway requirements.

Seniors updated and revamped the resumes they created last year in language arts to prepare for their interviews. Representatives from Ivy Tech, Indiana State University, the U.S. Army, Indiana Teachers Association, Brampton and Brick, Plumbers & Steamfitters Local 157 Union, Chick-fil-A, and many more local businesses conducted the interviews.

Northeast Students Honor Veterans

Northeast School students honored America's Veterans through Veterans Day Programs at each of the schools. Programs included music, powerpoint presentations, guest speakers and more.

Pictured on the right, Northeast East guest speaker, Sergeant Amber VanNess, answers student questions during the Veterans program at East Elementary.

Pictured above: North Elementary 6th grade students led fellow students on a "field trip" through PowerPoint presentation where they learned about the memorials that honor America's heroes. Students pledged to honor Veterans day for years to come.

Pictured above: North Central's Honor Society students put on two personal presentation for both the junior high and high school students where they learned about local veterans. At the conclusion of the programs students formed a line where they shook each Veteran's hand and thanked them for their service.

Wax Museum

East Elementary hosted their annual Wax Museum in November alongside the Fazoli's fundraising dinner. The halls were filled with families, friends, and community members sharing in this special tradition.

Students worked hard preparing for the event by conducting research and becoming an expert about their character.

In addition to the wax museum, attendees enjoyed a spaghetti dinner and raffle baskets for the school wide fundraiser.

With the press of a button, students came to life as their "character" and told the story of their life, including lifetime accomplishments.

Northeast North McTeacher Night

The turnout at the McTeacher Night benefitting Northeast North Elementary was awesome! Our teachers worked the drive-thru and served up hot, fresh food to our community.

Thank you to all of you who were able to come and show your support.

A special thank you to Ms. Miller, Mr. Meek, and Ms. Riggs for going above and beyond to make the event a success and to Sullivan McDonald's for the generous \$500 donation from McTeacher Night and providing NENE this opportunity to fundraise and gather as a community.

Spending time with our students and their supportive families means the world to us.

NESC Upcoming Dates

December 1st - 24th
