May 13, 2020

Dear NESC Students and Parents:

Thank you for your hard work and flexibility that we've all had to practice during this unprecedented time of the pandemic. As we start to wind down this crazy school year there are a few announcements that we would like to share:

Locker Clean-out/Desk Clean-out

NESC teachers will be cleaning and packing up their classrooms the week of May 18th. The elementary schools will bag and label all remaining student belongings. Students can pick up their bagged, personal belongings when they drop off their iPads and chargers. This will occur Tuesday through Friday after Memorial Day.

North Central students will be responsible to clean out their own lockers the week after Memorial Day as well.

A more detailed schedule of times and dates will be forthcoming from the building level administrators.

Technology Return/Drop Off

Students can return their iPads at the same time as they pickup their personal belongings. Students should bring their iPad, case and charger with them. Building level administrators will be sending you more detailed information with specific instructions on the schedule, times and drop-off location for your school.

Report Cards

Report cards will be mailed on May 29, 2020.

Summer School

Face-to-face summer school will not be held as usual in June. We will only be offering APEX/Credit Recovery in June at the high school level. Email Mr. Gilman (gilmanr@nesc.k12.in.us) if you are interested in taking advantage of this opportunity.

Honors Night

Honors Night will be a virtual event this year to be held on Saturday, May 16th. It will be live streamed on our Facebook page starting at 6:00 P.M.

Graduation

The Senior Class has several students headed to the military and several students starting college early. These students need to be officially graduated before they can start the next chapter of their life. Therefore, on Saturday, May 23rd, we will have a short web address at 10:00 A.M. This will be on our Facebook page. The web address is to recognize our Seniors and to officially graduate them.

Commencement will be held on July 11th at 10:00 A.M. The commencement will be held in the North Central gym. Because of CDC Guidelines and social distancing, Seniors will be given a small number of tickets (yet to be determined) to give to family. Only Seniors and those family members with tickets will be allowed to attend commencement in person. However, commencement will also be live-streamed on our Facebook page so other family and friends can view from home.

Prom

No decision has been made on prom. This is due to the issue of current CDC guidelines for social distancing set forth by the Governor. We are waiting to see if anything changes as we move forward.

Kindergarten Round-Up

Parents - if you have children that will be 5 years of age by August 1st they are eligible for Kindergarten. To begin the registration process please email and/or phone the building level administrator: North Elementary 812-696-2176 mckillopd@nesc.k12.in.us or East Elementary 812-383-4671 hannons@nesc.k12.in.us.

ECA/Athletics

The Governor and the IHSAA have closed down all activities and facilities, including athletic fields, through June 30, 2020. Athletic directors, Mr. Hudson and Mr. Olsen, will notify coaches and players when and how we are able to start practice again.

Again, we greatly appreciated the work of the students, the parents and the teachers during this time. We look forward to getting back to some sense of normalcy for the 2020-2021 school year. The first day of school for students will be August 11th. We will continue to communicate throughout the summer months as we continue to work through the pandemic situation.

Stay safe and stay healthy,

Dr. Mark Baker
