

# THUNDERBIRD NATION NEWS

**A Message from the Principal** - As we head into the end of April, only 4 1/2 weeks and 3 Fridays until the end of the 2023-24 school year. 35 calendar days until graduation for the Class of 2024. Please follow the calendar below as this is the busiest time of our year, we do not want you to miss out on any Thunderbird Happenings.

The Junior High will be taking the ILEARN Exam this week, hoping for great results. Charge those Chromebooks, rest up and do your very best. For students currently in grades 8-11, their second semester grades will be dependent on whether they can participate in HS Sports next fall when school begins. They must pass 5 subjects second semester of this school year or they will be ineligible for the first nine weeks of the 2024-25 school year. Mr. Olson will be verifying this when school begins in the Fall 2024. Please follow Harmony for your student's current grades and encourage your student to finish strong.
