

# THUNDERBIRD NATION NEWS

**A Message from the Principal** - Today is the end of the 3rd nine-week grading period. Report cards will be available online electronically on Friday, March 15. Please check your student's report card when it becomes available. If a student fails a class for a nine-week grading period they must take the final exam in that class this spring. They also must pass the next nine-week grading period, as well as the final exam in order to earn credit for that class. If you have any questions or concerns about your student's report card once it is available please email the teacher for that class. "Free" tutoring is still available every Tuesday and Thursday after school from 3-4 PM for all students grades 7-12.

Spring Break will begin in two weeks at the end of the day on March 21 (No School on Friday, March 22, as it is a make-up snow day). When we return from Spring Break we have only 39 school days until the end. It's going FAST - Enjoy it while you can!!
