

THUNDERBIRD NATION NEWS

A Message from the Principal - This week will be the last week of the nine-week grading period which ends on Friday, March 8. March 8th will be a 1/2 day (early dismissal) so our faculty/staff can share a professional development day that afternoon. JH/HS dismissal will be at 12:45 PM, while the elementary schools will dismiss at 12:30 PM. If you have the opportunity, please check your student's grades on Harmony and continue to encourage them to finish strong. If a student fails a class for a nine-week grading period they must pass the next nine-week grading period, as well as the final exam in order to earn credit for that class. If you have any current questions or concerns about your student's grades please email the teacher for that class. Spring Break will begin in three weeks at the end of the day on March 21 (No School on Friday, March 22, as it its a make-up snow day).

JH BETA Induction

The Biology Science Fair will be held on Thursday March 7. Students have been working hard since the beginning of January selecting their topic, researching, formulating their hypothesis, developing their experimental procedure, completing experiments, constructing electronic graphs and finishing their display boards. Judging will begin at 8:30 am. There will be a public viewing of all the projects after school until 4:30 on the 7th in the south gym. If there are any questions please email Mr. Molinder at molinderc@nesc.k12.in.us.

Mar. 4-8

Mon - Sloppy Joes/PB&J Uncrustable
 Tues - Quesadilla/PB&J Uncrustable
 Wed - Salisbury steak/PB&J Uncrustable
